**ORDER TRANSFERRING PROCEEDING TO THE BOARD
and
NOTICE TO SHOW CAUSE**

On November 9, 2018, the General Counsel filed with the National Labor Relations Board a Motion for Partial Summary Judgment on the grounds that certain paragraphs of the Respondent's answer to the compliance specification: (1) fail to meet the requirements of Section 102.56(b) of the Board's Rules and Regulations because they are not specific as to matters in dispute and fail to provide alternative presumptions and calculations; (2) deny allegations that are within the Respondent's knowledge; (3) raise issues that are not properly litigable at this stage of the proceedings because those issues have already been litigated and decided by the Board and enforced by the United States Court of Appeals for the District of Columbia Circuit; (4) are contrary to the remedies ordered by the Board; or (5) are admitted by the Respondent. The

Respondent did not file a response to the General Counsel's motion. Having duly considered the matter,

IT IS ORDERED that the above-entitled proceeding be transferred to and continued before the Board in Washington, D.C.

NOTICE IS GIVEN that cause be shown, in writing, filed with the Board in Washington, D.C., on or before February 14, 2019 (with affidavit of service on the parties to this proceeding), why the General Counsel's motion should not be granted. Any briefs or statements in support of the General Counsel's motion shall be filed by the same date.

Dated, Washington, D.C., January 31, 2019.

By direction of the Board:

Roxanne Rothschild
Acting Executive Secretary
